MISSION STATEMENT

Mentoring entrepreneurs to multiply their impact.

VISION STATEMENT

100x impact globally through a community of faith-driven mentors giving wisdom to entrepreneurs making an impact.

THE LEVERAGE

Ardent matches entrepreneurs making an impact with faith-driven mentors having the specific expertise needed, leveraging the time and effectiveness of both, to solve problems and find innovative solutions to transform lives.

WHOLE PERSON MENTORING

Beyond our entrepreneurs' careers and enterprises, our "Whole Person" mentoring approach focuses on a person's faith, family, identity, and life-balance as the foundation to the multiplication of their enterprise.

THE ARDENT APPROACH

A tailored program for mentors to learn from one another, become better mentors, and find joy in leveraging their wisdom for 100x impact.

AFFORDABLE PRICING PLAN

Ardent Mentoring sessions are affordably priced based on each enterprise's revenue and cash flow. Ardent offers a subscription plan at either one or two mentoring sessions per month and scholarships are available.
